

500_23 – Consultancy for Decarbonisation / Net Zero Strategies Framework

The Eastern Shires Purchasing Organisation (ESPO) is a local authority-purchasing consortium that operates throughout the UK. It is a non-profit making body owned and operated jointly by six local authorities. As a Central Purchasing Body, ESPO's primary objective is to provide a dynamic and trusted procurement solution to public sector authorities for a full range of goods & services.

The Consultancy for Decarbonisation / Net Zero Strategies framework provides a quick and flexible route to appoint Pick Everard to support Public Sector Clients with the reduction of their carbon emissions in line with the UK Government's target for net zero by 2050.

To appoint Pick Everard under this framework our team will work with you through the steps below:

1

Getting Started

Once we have agreed use of this framework our team will check that you are registered with ESPO to use their agreements.

If your organisation is not registered the sign-up procedure is simple, we will introduce you to our colleagues at ESPO who will guide you through the process.

2

Assess and Develop

We will work with your team to fully understand your requirement, support in developing the full scope of service, and recommend the appropriate framework lot based on our forecast fee.

3

Propose

Our project team will develop a proposal in line with your requirement and submit to you for approval.

4

Contract

We can assist your team in drafting the framework's standard Form of Contract and Master Contract Schedule.

5

Appoint

Once you are happy with the terms and conditions and our proposal, simply provide us with a confirmation of award letter; the signed contract and a purchase order.

We will also need you to complete this **confirmation of award notice**, confirming the lot to be used, for submission to ESPO.

6

Deliver

Your project will be delivered to the highest standards by our expert team.

Throughout, the project lead will ensure that progress is communicated to your team and stakeholders.

7

Your Completed Project

Our project lead will continue to engage with your team to ensure all aftercare requirements are met.
