

## Academy Services Framework

Pagabo is a highly experienced organisation that manages a number of Framework Agreements on behalf of Public Sector Organisations. The organisation has a high talent density of Chartered Institute of Procurement and Supply (CIPS) professionals with over 200 years of combined procurement experience. In collaboration with the Red Kite Learning Trust, they host a framework that is fully compliant with UK procurement regulations.

The Academy Services framework has been set up to provide academy trusts throughout England with access to consultancy services covering a broad range of back-office requirements.

The framework is founded on the ethos of simplicity and flexibility, providing clients with a straightforward route to directly appoint Pick Everard to deliver health and safety consultancy and advisory services.

Pick Everard has been a proud supplier to Pagabo since 2016. Our collaborative approach to working with Pagabo, and other framework partners, ensures that the correct solution is provided for all clients who use their suite of flexible framework routes.

**Lot 5  
Health and Safety  
Services**

### Benefits of using the framework

#### Trusted

Pagabo's leadership and delivery team have decades of public and private sector procurement experience across a range of sectors.

#### Market Tested

Appointed through a competitive tender process to ensure expertise and value for money.

#### Compliant

Fully compliant with UK public contract regulations (2015).

#### Time Saving

Simple direct award process reduces procurement time.

### Appointing us

The appointment process through the Academy Services framework is designed to provide a streamlined route to procure health and safety consultancy and advisory services.

To appoint Pick Everard under this framework our team will work with you through the steps below:

1

#### Getting Started

Before using the framework we will check whether your organisation has signed the framework's Client Access Agreement (CAA).

If your organisation isn't signed up, the process is simple and we will introduce you to our colleagues at Pagabo who will provide the CAA form.

2

#### Assess and Develop

Arrange a complimentary discovery call with our specialists. During this session we will assess your requirements and present our proposed bespoke solution to meet your needs.

3

#### Propose

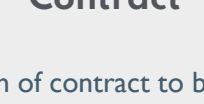

Our project team will develop a proposal in line with your requirement and submit to you for approval.

4

#### Contract

Pagabo have developed a standard form of contract to be used with this framework agreement. We can assist your team in drafting the contract, if required, prior to signing. Our team will also prepare the framework order form at this point and submit to you for agreement.

5

#### Appoint

Once you are happy with the terms and conditions and our proposal, simply provide us with a confirmation of award letter, the signed contract, and a purchase order. We will also need you to submit the framework order form to the Pagabo team.

6

#### Deliver

Your project will be delivered to the highest standards by our expert team. Throughout, the project lead will ensure that progress is communicated to your team and stakeholders.

7

#### Your Completed Project

Our project lead will continue to engage with your team to ensure all aftercare requirements are met.
